

Encuentro Soberano 2022

21 de Noviembre - Resistencia, Chaco.

From the confluence of referents and organizations that are the “Foro por la Soberanía” (Forum for Sovereignty), the “ILPS Chapter Argentina” (International League of Peoples’ Struggle, for its acronym in English), and the “Encuentro Nacional de los Trabajadores y el Pueblo” (National Meeting of Workers and the People), the “Encuentro Soberano 2022” (Sovereign Meeting 2022) will be held in the city of Resistencia , Chaco on November 21 of this year, in the EPP 577 "Del Sesquicentenario" school building.

It will be organized by the aforementioned confluence spaces and the organizations that make it up, mainly by the environmental organization Marea Roja and Juventud Revolucionaria Che, which will assume the central organization of the event.

Within the framework of the commemoration of the National Sovereignty Day, this meeting will have the objective of bringing together organizations and leaders from different spaces to focus on the need to build true sovereignty for our country and for the benefit of our people.

The event will take place as a continuation of the Jornadas Solidarias de Salud (Solidarity Health Days) that will be held on November 19 and 20 in the city of Resistencia. This Encuentro Soberano 2022 (overeign Meeting 2022) will consist of different discussion panels, with different axes seeking to link the different current problems to the theme of building a way out for a true and definitive independence for our contry.

The panels are:

- Illness and Socio-Environmental Health
- Water, Wetlands and Rivers
- Workers and Sovereignty
- Feminisms and diversities
- Environment, Energy and Food Sovereignty

The objective of this meeting is to promote debate and the participation of different referents and organizations to discuss the reality of our territories, the need for a productive model that responds to the needs of the popular majority under a sustainable production and consumption model contrary to the large local and foreign corporations, and above all to the need for a patriotic and sovereign solution to make this possible, seeking in turn to strengthen the ties between organizations, as well as the particular capacity of each one of them.
